Write a brief paragraph(s) that highlights strengths and, if applicable, offers constructive feedback.

Keep the tone respectful and focus on the outcome (what was done), not personality. Consider using AI to ensure that the recipient receives the peer review in a positive and productive manner, even if constructive feedback is required.

I enjoyed working with Kage. He was helpful and got his portion of the workload completed on time. He was approachable and easy to work with. When we faced problems he was open to working on them together. Overall, he was a good teammate.
